

The Ripe Performance

LIENIG

Wildfrucht-Verarbeitung

Sea Buckthorn

- the new experience in taste
- the natural multivitamin source
- new diversity goes onto beverage-, milk- and delicacy-shelves
- jaunty little fruit with a reputation
- Oil for pharma products and cosmetics

Products:

- fine puree
- puree concentrate
- juice concentrate
- blendings
- powder
- oil

Innovation:

natural cloudy stabilized juices through high viscosity of the fine-pureé

our service:

- exclusive product quality standards
- scientific and technology support by University of Leipzig/Dresden and NIG Magdeburg

Lienig Wildfruit-Processing:

premium quality from the very beginning!

**Sea Buckthorn by Lienig – much more
than the »Lemon of the North«**
